

Commodity Weather Group, LLC

Commodity Weather Group, LLC of Bethesda, MD, is looking to add a skilled operational forecaster in Spring 2012 to help build its growing business.

Candidates should meet the following profile:

- a meteorology/atmospheric science graduate by Spring 2012
- a skilled forecaster who is passionate about the weather
- able to communicate effectively through multiple mediums
- experienced in a demanding customer service environment
- a team player
- experienced or interested in commodities (energy/agriculture)
- a high-energy individual with a strong work ethic
- creative
- continuously improving
- positive-minded

Please schedule an interview during our visit on Wednesday, March 28 if you are qualified for this unique opportunity and believe we have described you above.

Please bring resumes (including GPA or unofficial transcript) to the interview. In addition, we would like to hear how you fit the profile above and will add value to our firm. After scheduling your interview, this required letter (one page or less) should be forwarded to joel@commoditywx.com in advance of our meeting.

CWG offers employees a complete compensation and benefits package, including fully company-funded health, dental, vision, and life insurance as well as transportation subsidies and a 401(k) plan with company match.

Starting salary for this position is \$42,000/year.
